in cooperation with Czech-Slovakian Group for the Iron Age

20. medzinárodná konferencia  
20<sup>th</sup> international conference

**Doba laténska v strednej Európe**

**Die Latènezeit in Mitteleuropa**

**The La Tène Period in Central Europe**

**KELTI / DIE KELTEN / THE CELTS  
2019**

**14. – 17. mája 2019 / 14<sup>th</sup> – 17<sup>th</sup> May 2019  
Vysoké Tatry – Stará Lesná**

Dear colleagues and friends,

**The Slovak Academy of Sciences Institute of Archaeology and the Slovak Archaeological Association an Affiliate of the Slovak Academy of Sciences** in cooperation with the Czech-Slovakian Group for the Iron Age prepare the 20<sup>th</sup> edition of the conference on the Late Iron Age

### **KELTI / DIE KELTEN / THE CELTS 2019**

to be held in charming surroundings of Vysoké Tatry, in the SAS Congress Center Academia in Stará Lesná.

The organisers expect participants to prepare **oral lectures** concerning current results of researches on the Late Iron Age in Central Europe. We also invite **posters** presenting findings of less extensive field studies or showing partial results. If a lecture is not presented in English or in German, participants are kindly asked to prepare a multimedia presentation in one of these languages.

Due to time limits, the organisers reserve the right to change, upon notice to a participant, an intended lecture into a poster presentation.

The conference will include also an **excursion** around the region rich in cultural and natural attractions.

Participants cover costs of **accommodation and meals** themselves. For the conference purposes, we have booked the entire **Congress Center Academia (Kontresové centrum SAV Academia)** in Stará Lesná (<http://www.hotelacademia.sk/>).

**Prices** for the conference participants are as follows:

Two-bed standard room including buffet-breakfast: 28.70 €per 1 person/1 night;

Dinner (3-course, served, with lemon water): 7.80 €per 1 person/1 day;

Supper (3-course, served, with lemon water): 7.80 €per 1 person/1 day;

If you are interested in staying at this hotel, please book your stay (room and meals) as soon as possible. When booking your room, please indicate that you are participants of the conference. If the interest exceeds the capacity of the Congress Center, it will be also possible to stay in other hotels or guesthouses in **Stará Lesná**.

Due to prices in Vysoké Tatry, this year the standard **conference fee** is 40 €and 25 €for students and shall be paid on site, upon arrival.

**Registration forms** (see attachment) including an **abstract** (max. 2000 words) and indicating whether you are interested in the conference excursion should be sent by e-mail to [lucia.benedikova@gmail.com](mailto:lucia.benedikova@gmail.com) or one of the other organisers by **31.1.2019** when we will close registration and send further information about the conference programme as well as a binding registration form for the excursion.

The organisers believe that this year's conference will be not only a successful scientific event but also a friendly social meeting of people interested in the Late Iron Age in Central Europe.

With kind regards,

Gertrúda Březinová [Gertruda.Brezinova@savba.sk](mailto:Gertruda.Brezinova@savba.sk)
